

## **Peter Moreland 1920 - 2007**

**The recent death of Peter is an enormous loss to everyone who knew him. He worked tirelessly as our President – having been instrumental in the formation of the Trust in 1986. His knowledge of natural history, especially of birds, was impressive – he had a great enthusiasm for wildlife and the natural world. He battled energetically to protect Thorncombe from inappropriate development – we owe him a huge debt and will remember him with affection. Our sympathies are with Sheila and the family at this sad time.**
